

CAMPBELL & PARTNERS
EUROPEAN RECRUITMENT CONSULTANTS

Ref: AW/1380

SENIOR FINANCIAL ANALYST

Client:

One of the world's most successful e-commerce companies. In order to strengthen the finance dept at German HQ, we are now looking for a skilled finance professional to support one of the category teams.

Location: Munich

Responsibilities:

- partner closely with German and European business teams
- strategic, financial and operative planning
- conduct analysis and execute initiatives to drive top-line growth, cost savings and long-term free cash flow
- identify business opportunities and prepare business cases
- develop metrics to monitor the performance of business initiatives
- improve financial tools
- promote and encourage continued customer focus

Requirements:

- university graduate in finance or a related discipline
- relevant finance experience eg FMCG or retail
- proven experience of managing, evaluating, analyzing and creating meaningful business reporting
- experience of business partnering
- proven ability to develop strategic relationships with your business partners
- keen to dive deep to develop innovative solutions and to challenge the status quo
- hands-on mentality with an entrepreneurial mindset
- able to root-cause issues effectively
- able to translate large amounts of data into useful information
- comfortable working in cross-functional teams
- strong communication and persuasive skills
- IT literate with strong MS-Office skills
