FINANCIAL ANALYST SALES

Client:

International leader in fashion and lifestyle. For German HQ, we are now looking for a young controlling professional to add further value to the group.

Location: Munich

Responsibilities:

- provision of support to Retail and Wholesale colleagues
- preparation of bi-annual Commercial Plan
- annual budgeting and monthly forecasting
- daily/weekly/monthly sales reporting and variance analysis
- recommendation of measures to counter variances
- monitoring/updating of price lists
- ad-hoc financial evaluations
- continuous development of controlling tools
- preparation for internal management meetings: KPIs, business drivers etc

Requirements:

- approx 2 years' professional experience: fashion or retail a distinct advantage
- skilled in SAP R/3 and BI, MS-Office, database and data-mining
- hands-on service approach
- able to work under minimal supervision
- a team player, communicative and reliable
- a can-do attitude
- very good English
