TAX MANAGER

Client:

Leading full-service communications agency, with an impressive list of clients: global players in the consumer goods, retail and automotive sectors. For German operations, we are now looking for a young tax professional to add real value to the business.

Location: Munich

Responsibilities:

- optimization of taxation processes
- driving tax compliance
- tax administration: preparation of tax balance sheets, tax declarations etc
- liaison with tax authorities
- provision of internal business partner support re tax issues
- analysis of tax risk/opportunity
- transfer pricing documentation
- VAT administration
- report to the Manager Accounting

Requirements:

- a university degree in finance/tax or equivalent qualification
- at least 3 years' professional experience in a tax dept and/or tax consultancy
- first-class knowledge of domestic and international tax
- exposure to both direct and indirect taxation
- very good English
- a team player, flexible and authoritative
- keen to work independently
