## **HR BUSINESS PARTNER**

### **Client:**

A leading, international producer of electronic components. For German HQ, we are now looking for an HR professional to further strengthen the organization.

**Location:** Munich

### **Responsibilities:**

- provision of support to both management and staff locally
- evaluation of the affect of strategic and operative decisions upon the workforce
- administrative and non-administrative support to staff, from joining to leaving
- development of personnel processes and guidelines
- recommendation of career development
- organization of leadership workshops
- support re the annual performance review process
- close cooperation with your HR colleagues
- input into international HR projects

### **Requirements:**

- university graduate with a relevant degree
- experience of HR business partnership in a dynamic, international environment
- exposed to all aspects of operative HR issues and versed in the spectrum of current HR tools
- success-oriented and with a hands-on mentality
- an effective communicator
- culturally aware
- fluent in English
- keen to assume responsibility at an early stage
