

CAMPBELL & PARTNERS
EUROPEAN RECRUITMENT CONSULTANTS

Ref No: NZ/1379

SENIOR ANALYST INTERNATIONAL TAX

Client:

One of the world's most successful e-commerce companies. In order to strengthen the German/Eastern European region, we are now looking for a skilled tax professional to support operations.

Location: Munich

Responsibilities:

- tax planning for both new initiatives and ongoing business activities
- tax audit management
- support reporting, compliance and tax controversy requirements
- liaise with the US and international tax controversy divisions
- research complex international tax issues
- monitor regulations, rulings, procedures and court decisions
- liaise with external tax consultants and authorities
- report to the local Senior Manager International Tax

Requirements:

- university graduate in a relevant discipline
- German tax advisor qualification
- several years' experience of international tax in public accounting and/or in a multinational corporation
- fluent in English and German
- a detail-oriented person, who takes ownership of projects
- able to work in a fast-paced, informal and often ambiguous environment
- able to think strategically while engaging in day-to-day tactical details
- able to work well in cross-functional teams/a matrix environment
- able to communicate complex tax concepts to non-tax professionals
